Forecast For Wales
Issued by Met Office Exeter
at 1600 on Tuesday 29 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and becoming widely warm on Wednesday.

This Evening and Tonight:
Dry with sunny spells continuing into the evening, but patchy cloud spreading into the east. Remaining dry with occasional clear spells through the night and light winds. Minimum temperature 9 deg C (48 deg F).

Wednesday:
Sunny spells through the morning with the risk of isolated showers developing into midday. Sunny spells continue through the afternoon with any showers easing into the evening. Feeling warm. Maximum temperature 24 deg C (75 deg F).

Outlook for Thursday to Saturday:
Sunny spells on Thursday and Friday with the chance of an afternoon shower. Turning cloudy with outbreaks of showery rain at times heavy into Saturday, followed by isolated showers.
